- the referencing of professional partners of the company P2B Solutions and their services
- the option for users to create an account to benefit from tools that improve their company's debt collection and working capital requirements
- Some tools are available on-line from the site, while other tools are available for download
- The tools can be ordered directly from the website

P2B Solutions operates as an electronic merchant.

REFERENCING OF CONTENT AND SERVICES OFFERED BY THIRD PARTIES

With regard to the law, P2B Solutions is also an “on-line platform operator” because it offers on its website www.etrepaye.fr and www.creditmanagement-tools.com an on-line public communication service premised on the ranking and referencing of content and services offered by third parties.

These third parties are professionals in credit management and, more generally, in receivables management.

These third parties are referenced for the most part on the following pages:

Client account receivables management services: www.etrepaye.fr/services.php and www.creditmanagement-tools.com/services.php

Expert perspectives: www.etrepaye.fr/experts-credit-management and www.creditmanagement-tools.com/experts-credit-management

These third parties are partners of P2B Solutions. However, there is no contractual relationship, capital link or remuneration that could influence the ranking and referencing of the content and services offered by these third parties on the website.

The ranking and referencing of content in the “Expert Perspectives” section is listed in chronological order, from the most recent to the oldest.

Third parties listed in the “Client account receivables management services” section have been listed by P2B Solutions in random order.

COMMENTS POSTED ON THE SITE

Website users may leave a comment on certain pages of the website (Tutorials and Expert Perspectives section).

P2B Solutions wishes to provide the following clarifications on this subject:

- the date of publication of each comment is listed immediately adjacent to it
- comments are listed in chronological order (from the most recent to the oldest)
- There is no counterparty in exchange for submitting a comment
- comments continue to be displayed for 5 years from their publication.
- Comments must be approved by the publisher before being shown on the website.

The main characteristics for which comments are checked at the time of receipt and before publication are as follows: relevance, connection with the subject, respectfulness

If the comment is not published, its author is duly informed, if the publisher deems it necessary. The author is then informed of the reasons for which the publication has been refused. Depending on the situation, the comment may or may not be modified before publication.
